Academic All-State Teams

To Access Team Lists visit www.thsca.com/academic-all-state

To be nominated for Academic All-State, a student must be:

- An athlete, student trainer or manager in good standing with the team
- Of good moral character
- A Senior
- Have an overall grade point average of 92 or above (including courses from grades 9-11 and courses completed from grade 12). GPA's under 92 will not be considered.

While the student might initially meet the criteria for nomination, that does not guarantee the student a spot on a team.
When reviewing the nominations, the THSCA considers each students' GPA, class rank, SAT and/or ACT score. The students receive points based on each criteria. The total number of points they receive determines which team they are placed on. The classification of the school is not a factor, and there's not a limit on how many players can make a team.
The best team a player can make is the Elite Team which requires a near perfect score in all categories. After Elite comes the following teams: 1st Team, 2nd Team, Honorable Mention.
